Love

Love is

*being happy for the other person
when that person is happy
being sad for the other person
when that person is sad
being together in good times
and being together in bad times*

Love is the source of strength

Love is

*being honest with yourself at all times
being honest with the other person
at all times
telling, listening, respecting the truth
and never pretending*

Love is the source of reality

Love is

*an understanding so complete that
you feel as if you are
a part of the other person
accepting that person just the way he or she is
and not trying to change each other
to be something else*

Love is the source of unity
